

Bud Summers

“What groundhogs listen to when they’re not looking for their shadows. A little bluesy, a little jazzy and not too far from the rock”

www.BudSummers.com

This St Louis, MO based solo musician is coming off of a stellar 2011 in which he gave 151 performances in five states and released his third CD - “Live in Chicago”. 2012 figures to be another outstanding year with two new releases tentatively scheduled. One will be his third studio release in the singer/songwriter genre and the other a long-awaited instrumental collection of holiday classics that shows off his jazzy/bluesy guitar and arranging skills.

“played with a degree of passion and enthusiasm that you just don’t see...with feeling and artistry-A.E. Hamberg– St Louis, MO

Some of the artists that Bud covers include– Eric Clapton, The Who, Frank Sinatra, America, The Gin Blossoms, Stevie Miller, Paul Simon, The Foo Fighters, Van Morrison, Green Day, Willie Dixon, Jimmy Reed, Bill Withers, Kings of Leon, The Beatles, Tom Petty, The Eagles, Coldplay, Stevie Wonder, 3 Doors Down, Jimi Hendrix and more.

Bud’s solo shows feature **guitar with looping, vocals, and light percussion** from an overturned wooden bowl with a tambourine placed atop.

“Bud’s the real deal man Lots of people try to make music. Bud is music.” L Schuiteman- Grand Rapids, MI

Bud’s overall style is blues/jazz/rock .His repertoire includes over 200 songs from Sinatra to 3 Doors Down in addition to original material.
